TRANSMITTAL OF DRAWINGS

Dear Sir:

Enclosed herewith are formal drawings for filing in the above-identified patent application.

The Examiner objected to the drawings in the Office Action mailed on May 22, 2007. Specifically, the Examiner noted that the drawings must show every feature of the invention specified in the claims. In response to this objection applicants have cancelled the feature of a coating and a filler from the claims.

Replacement sheets are provided.

Feature 70, described on page 9 of the application has been added to Fig.

9.

Favorable reconsideration of the enclosed drawings is respectfully requested.

Respectfully submitted,

Richard W. Ellis, 46,683
